

# FEEDLINE

BULLETIN OF THE CANTON AMATEUR RADIO CLUB  
Affiliated with the "American Radio Relay League"

FEB

1962

OUR COVER THIS MONTH IS NO OTHER THAN WILLIAM (BILL) PARKS K8JZN. Known to his ham friends as the Jolly Zany Nut from the broom factory. Bill, the XYL Mickey and the four harmonics, Ann, Linda, Daviv, and Scotty live at 8307 Cleveland Ave. N. - North Canton, Ohio. Better known as Mount Pleasant. A native of Stark County and a 15 year employee in electronic maintenance at the Hoover Co. Bill became a ham in 1958 more or less in self defense, as Bob W8KBR took up squatters rights next door and asked permission to erect some sky wire, (that did it). Ham fascination plus radio and TV repair experience, soon had Bill a ticket. Bill is active on all bands, but mostly 10, 15, and 20 meters. For the home station its a DX-100 to a Tri-Bander and a ten meter vertical. Receiver a HQ-170. For the mobile its a Cheyenne and Comanche.

Bill's specialty is phone patching, and a grand job he does handling traffic. We could call him the W6WLQ of Stark County. but Bill Robinson has a monopoly on that. Bill makes his hobby even more interesting by keeping a complete QSO file, especially his ground wave activities. So be careful what you say as it goes in the records at W8JZN.

Canton Amateur Radio Club Inc.  
Meetings the first and third Wed.  
of each month. Dates to remember  
are Feb 21, March 7 and March 21  
++++++

On Feb 6 the first of a series of  
six broadcasts was aired over  
WHBC, entitled "Ham Radio". The  
first interview was with Charles  
Rex K8MZS, covering in 20 minutes  
the who, why and how of amateur  
radio. Interference to other  
modes of communications by amateur  
radio was also discussed. The  
next program is scheduled for  
Tuesday evening, Feb 20th. The  
program: "Night Scene" Consult  
the Repository for the correct  
time.

++++++

Al Henry W8PWO/7 now has call  
K7RTP, so be listening for Al on  
15 meters.

-----  
John Edel K8LBZ is doing some  
private teaching of General class  
theory, teaching at home until  
YMCA classes resume this fall.  
John's limiting his classes at  
home to adults, no more than 5  
students per class, two hours per  
night for 12 weeks. He still had  
a few openings on Thursday and  
Saturday evenings, so if you are  
interested, Call John for details.  
His phone: TE2-5932

-----  
Information has leaked out that  
W6EDG/3 is experimenting with a  
compact antenna for 40 meters.  
Designed primarily for apartment  
dwellers. How about an exclusive  
Bob?

-----  
K8OBW reports:

The N.E. Ohio VHF group will meet Feb 17, 6:30 PM at Terrace Gardens  
in Barberton, Ohio. This meeting is for the purpose of making plans  
for the Spring Banquet, which will be held at the Terrace Gardens on  
May 5th. The Chix on 6 will assist at this meeting and the Banquet.  
Let's attend and help make this one a bigger success than last year.

-----  
The VHF gang in Wayne county were busy Jan 17, working with the  
Wooster health clinic and local Pharmaceutic doctors group, in a mass  
polio immunization project, distributing polio vaccine house-to-  
house throughout Wayne county. The vaccine is given orally in paper  
cups. All mobile stations available were used, working with fixed  
stations. Two more such operations are planned. Some of the hams  
who participated were: K8EOG, K8KFN, K8OAR, K8TKG, W8NOM and W8LFJ.

HAM YAK

W8RNL has been heard lately on 10  
after a long illness. Bill would  
like to extend thanks to all that  
sent cards while he was in the  
hospital.

Hear that Lyn Van Aman is coming  
along real well since his Thanks-  
giving day auto accident.  
Congradulations to Marv and Helen  
Denison (K8ANA) on the new arrival  
--this is their first harmonic,  
her name: Denise.

By the way, Marv and Helen are  
planning to move to Tuscarawas  
County soon. Watch those Knuckle-  
heads, Marv!

Our loss is New England's gain as  
Warren Collins K8ZCO is moving to  
W-1 land. Going along are his son,  
George K8ACZ and daughter KN8BLD.  
Good luck and best wishes, Warren.  
K8CEQ sends thanks to all that  
sent cards while he was in the  
hospital on Long Island. Jim has  
a new call, WA6SZC and will be  
living in National City, Calif.  
W8GAB came up with second place  
in the Breeze Shooters contest.  
Ben received a very nice certifi-  
cate for his award.

W8NAL is now QCWA #2935. We also  
hear that Carmella uncorked that  
HQ-170.

Racehorse: An animal that can  
take several thousand people for  
a ride at one time.

++++++

Spring meeting of the Ohio Council  
of Amateur Radio Clubs: March 10,  
10 AM., Central YMCA, 40 W. Long  
St. Columbus. Proposals should  
be submitted in triplicate.

.....  
WANTED: the whereabouts of 16mm  
films taken at previous Field  
Days. Please look around!

++++++  
"See if you can laugh that off",  
said the fat man's wife, wiring  
a button onto his coat.

++++++  
Heard about that new drug called  
"Span-Tran"? Mixture of Spanish  
fly and a tranquilizer. Two drops  
in a martini starts you looking  
for a woman--but you don't give  
a darn if you don't find one!

++++++  
Last month we made a light appeal  
for financial support of the  
Feedline. Results were gratify-  
ing. Our thanks to the follow-  
ing for their letters and support.  
W8QMH, K8SWE, W8SQK, K8LEW, K8EEB,  
K8JZN, W8RNL and K8TOY.  
Here are some excerpts from their  
letters--space limits printing  
them in their entirety.

Jan 5 1962

Dear Fellows

You have been mailing to me the  
CARC "Feedline", I enjoy getting  
it. Enclosed is a donation for  
which I hope you will continue to  
send it for another year.

Ralph K8LEW

CARC

Dear Hank:

I do enjoy receiving the FEEDLINE  
very much and I know that it costs  
money to prepare and mail.  
I am enclosing a donation which  
isn't much, but might help a  
little. I do hope it will be  
possible to continue it

73, Bob Dorn W8SQK

-----  
Beach City  
Jan 15

Dear Hank:

I have been getting the "FEEDLINE"  
for about a year and I guess it is  
about time another contribution  
was sent in.

This bulletin you put out is  
certainly an outstanding ham paper  
and the past months the Front  
cover has been as good as could be  
found. Whoever is doing this  
deserves to be complimented.  
I notice that you have such a  
thing as an "Associate membership"  
Could I become an associate  
member?

73 Carl Sigrist K8EEB

Jan 2-62  
Box 149 Acwron  
Pagwa River Asn  
Ont. Canada

Dear Fellows:

I thought I would drop you a line  
and let you know how much I enjoy  
receiving the Feedline. There's  
just one thing though--your  
representation of Santa Claus  
last month was just too much--  
especially for a guy up here on  
the pine tree line! Don't get me  
wrong though, I'm all for it so  
keep up the good work and I'll be  
listening for old Stark County  
from up here in the north woods.  
73, AIC Jim Martin W8AQJ/VE3
